

Sports Premium Strategy 2018/19

Taken from DfE - Purpose of funding – 2018/19

There are 5 key indicators that schools should expect to see improvement across:

- The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
- The profile of PE and sport is raised across the school as a tool for whole-school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

For example, you can use your funding to:

- Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively.
- Hire qualified sports coaches to work with teachers to enhance or extend current opportunities.
- Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities.
- Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs.
- Enter or run more sport competitions.
- Partner with other schools to run sports activities and clubs.
- Increase pupils' participation in the School Games.
- Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school.

This grant [also known as the 'Sport Premium'] is £19,550 for our school, which will be given annually from the Department of Education and Department of Health. Below is a rough breakdown of how this money is being spent:

Sports Premium Strategy 2018/19

Key Indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.

Actions	Funding Allocated	Evidence and Impact	Sustainability
<p>Forge School Sport Partnership Elite Package</p> <ul style="list-style-type: none"> • Six 6 week blocks of sport coaching support (Gymnastics and Orienteering so far) • Youth Sport Trust membership 	<p>£3000</p>	<ul style="list-style-type: none"> • Children lead playground activities at lunchtime which has given increased ownership over behaviour and participation in games. • Increasing the amount of after school clubs giving children more opportunities to join in and participate in sport > being part of a team and becoming more involved in school life improves attainment in other areas of the curriculum. • Improved attendance figures overall in school • More SMSC opportunities as a result of increased participation and involvement in a sports community 	<ul style="list-style-type: none"> • Coaching block will help increase teacher’s subject knowledge through observation and team teaching. • Improving planning and teaching across school via support from specialists. • Playground leaders can train up other children so that they can create their own sports games and engage more children in regular physical activity.
<p>Further Training and Support</p> <ul style="list-style-type: none"> • PE package delivered by outstanding provider to coach leaders in ways to improve teaching and learning through a practical approach to PE leadership. 	<p>£500</p>	<ul style="list-style-type: none"> • Leaders are more aware of ways to improve PE teaching and learning and can monitor and evaluate the quality of PE planning, resources and teaching better providing all current children and 	<ul style="list-style-type: none"> • Increase subject knowledge of teachers.

Sports Premium Strategy 2018/19

		future pupils with a greater PE experience.	
Sports Coach <ul style="list-style-type: none"> Employed our own school sports coach to provide extra coaching and support for teachers. 	£19,000	<ul style="list-style-type: none"> Improved PE provision across school. 	<ul style="list-style-type: none"> Support teachers with planning and delivery of high quality lessons. Children have higher quality lessons from P.E. specialist. Skills progression across school clear and developed each year.
Additional resources <ul style="list-style-type: none"> Sports Equipment Swimming lessons for Year 3 	£5200 (including transport)	<ul style="list-style-type: none"> More SMSC opportunities as a result of increased participation and involvement in a sports community. Better/more equipment enables better quality lessons. Improved resources for IR gross motor development. Curriculum necessity. 	
Key Indicator 2: The profile of PE and sport being raised across the school and increasing participation in sporting competitions			
Sports Coach <ul style="list-style-type: none"> Provide more extra-curricular opportunities for children to experience new sports, run sports clubs and holiday clubs. 	Figure noted previously.	<ul style="list-style-type: none"> Extensive opportunities for children to take part in after school activities and increased participation. Increasing the amount of competitions we have competed in has boosted self-confidence, teamwork and children's ability and enthusiasm towards P.E. Improved P.E. provision across school 	<ul style="list-style-type: none"> Having a P.E. coach has raised the profile of P.E. and long-term this will be sustained because more children will be interested in taking part in sporting activity (inside and outside of school) due to their

Sports Premium Strategy 2018/19

		<ul style="list-style-type: none"> • Sporting Stars of the week and competitions/prizes (raising the profile of P.E.). • Introduction of 'The Daily Mile' across the whole school in a bid to tackle obesity. 	<p>exposure to competitions and clubs.</p> <ul style="list-style-type: none"> • Children have a better understanding of the impacts of exercise on mental health and wellbeing.
<p>Forge School Sport Partnership Elite Package</p> <ul style="list-style-type: none"> • Access to intra and inter sport competitions (Basketball, Gymnastics, Sportshall Athletics, Handball, Hockey, Orienteering, Cricket, Golf) • Six 6 week blocks of sport coaching support (Gymnastics and Orienteering so far) • Youth Sport Trust membership 	Figure noted previously.	<ul style="list-style-type: none"> • Increased amount of competitions we have competed in has boosted self-confidence, teamwork and children's ability and enthusiasm towards P.E. • Increasing the amount of after school clubs giving children more opportunities to join in and participate in sport > being part of a team and becoming more involved in school life improves attainment in other areas of the curriculum. 	<ul style="list-style-type: none"> • Increased opportunities across all sporting formats will raise the profile of all sports across school and result in improved participation. Long term, this will be self-sustaining as more children will want to be involved as a result of this exposure.
<p>Transport to and from competitions</p> <ul style="list-style-type: none"> • School games • Trust competitions • Forge SSP competitions 	£1,000	<ul style="list-style-type: none"> • See participation in sport. 	
Sports Premium Strategy Total Expenditure 2018-19		£28,700	

Sports Premium Strategy 2018/19

Review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why?

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> 2017/2018 Gold Kitemark Award – evidence of improving participation in sport and competition. 	<ul style="list-style-type: none"> The school has been identified as having the 6th highest level of obesity in Sheffield > Action – The introduction of ‘The Daily Mile’

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
