

Below is just a **suggestion** of how you may wish to distribute your learning over the week. However, it is up to you how you choose to support your child's learning at home using the resources we have provided. Remember it is important to schedule regular breaks and make time for different areas of the curriculum (not just literacy and maths) as these will help support your child's wellbeing during this difficult period. Links to any websites referenced are available on our list of useful websites. Remember to also refer to your child's guidance pack to help support their needs appropriately.
