

Art

Create a 3-D model of an animal you may find in the rainforest using left over packaging.

DT

Create an animal shelter outdoors.

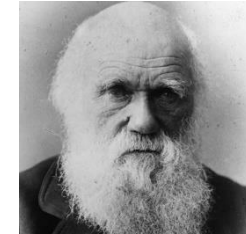

Geography

Draw a map of your local area showing how to get from your house to school.

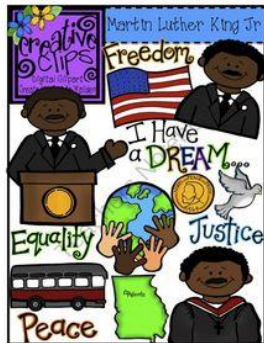

History

Create a factfile explaining who Charles Darwin was and why he is so famous.

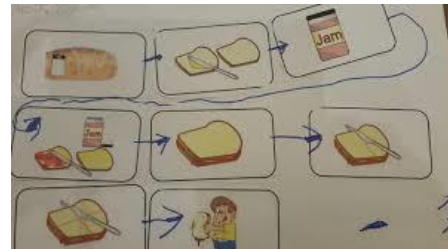

RE

Design a poster about someone who inspires you. This could be someone famous or someone you know.

Computing

Write an algorithm (instructions) about how to make your favourite sandwich.

Music

Use equipment you can find in your house to make a percussion instrument and use it to keep to the beat of your favourite song.

Science

Create your own animal that is well adapted to living in the rainforest.
