## Parents' Evening Conversations

Dear Parents and Carers,

As a result of the ongoing Coronavirus health crisis, unfortunately, we cannot hold a Parents' Evening in the traditional way at present. However, it is incredibly important that you have the time to discuss your children's progress with their class teacher and how they have settled into their new classes. Therefore, this term we will be conducting our conversations via the telephone. As much as we like using video conferencing, this seems the most straightforward means of communication that we know everybody will be acquainted with.

Our Parents' Evening will take place on multiple days depending upon your child's year group. Please see the table on the reverse. **You will be sent a text with a link to an online booking form on Monday** where you can select your desired time to receive your phone call – you can select multiple options. Please do bear in mind, however, if certain time slots are in high demand it might not be possible to make all of the phone calls during that time, therefore, please try to be as flexible as possible. If you are completely unavailable on the night of your child's phone calls, please speak to the teacher to arrange an alternative.

If you have already had a SEN meeting this year, or have an upcoming SEN meeting scheduled, you do not need to have an additional conversation with your child's class teacher, as the SEN conversation will have covered all the main discussion points.

If you have any queries, or any issue accessing the online booking form, or have not received the text link for any reason, please call the school office or speak to the class teachers in the morning or at the end of the day.

Best Wishes,

Mr Sitch  
Headteacher
