11th February 2021

Coronavirus Cases during Half-Term

We finish for the half-term break on **Friday 12th February**. If a pupil who has been attending school develops Coronavirus symptoms **during the 48 hour period since last being at school** and subsequently tests positive, please email enquiries@stradbroke.sheffield.sch.uk with the details. This email account will be checked each day throughout the one week holiday, and we will notify any other families who might need to self-isolate by text message. If there is more than a 48 hour gap between your child being at school and starting to develop symptoms, you do not need to inform us. If you are unsure, please notify us anyway and I will take advice from the Sheffield Public Health team.

In turn, we will also alert any families affected should a member of staff test positive, if they have developed symptoms within a time period where they may have been in contact with children. We sincerely hope that this is not needed and that we can all have a relaxing and enjoyable break.

We return to school on Monday 22nd February 2021.

Best Wishes,

Mr John Sitch
Headteacher
