Stradbroke Primary School

Learning for Life!

7th September 2018

Welcome Back!

Here we go again; the start of another exciting school year which I'm sure you have all been eagerly anticipating as much as us! It is lovely to see all of the children return to school, full of enthusiasm, energy and hungry for more learning. I hope that the prolonged transition at the end of last year allows them to settle in quickly and hit the ground running.

I'd also like to welcome all of our new parents whose children have joined Stradbroke this academic year, either in nursery, reception or across the school. If you should have any questions or queries, please do come in and ask the staff, they will be more than willing to help you out wherever they can.

Polite Reminder – School Drive and Parking

I'd like to remind all parents and guardians, please, that the school drive and car park is for **staff and authorized visitors only** at the start and the end of each school day. Our special needs children in the IR are dropped off and picked up by mini buses in the car park and it is therefore imperative that the car park is kept clear during these times for their safety and to ensure access. Please also be considerate of school's neighbours, other road users and pedestrians when parking around the school during busy periods. Thank you for your cooperation in keeping everybody safe.

Music Lessons

Anthony, our resident peripatetic music teacher, will again be running a selection of music lessons throughout the academic year. Guitar and piano lessons are available at a cost of £4.50 per child per lesson (payable over a term). If you are interested in signing up to any of these great opportunities, **please speak to Mrs Fielding**, at the front desk, who will be happy to assist you.

After School Clubs

After school club with Mrs Cockayne and Mr McCarroll is up and running again. Costs remain at £2 per session, Monday – Thursday, and sessions run from 3.15pm until 4.30pm for children from Y1 to Y6. A drink and a snack are included also. If you are interested in your children attending, please speak to Mrs Barker or Mrs Coult in the school office to arrange payment, as places must be paid for prior to children attending the session. Activities are as follows:

Monday	Basketball and/or Seasonal Crafts
Tuesday	Football and/or Construction (Lego etc.)
Wednesday	Multi-Sports Athletics and/or Free Play
Thursday	Hockey and/or Messy Crafts

Best Wishes

Mr John Sitch
