Attendance So Far

Please make sure that you are encouraging your children to attend each day as it is vital in helping them achieve their targets. If they are going to be absent for any reason, please make sure that you inform Mrs. Fielding in the school office, as the teachers do not always have chance to inform her of the absence before she sends text messages out. Our school attendance target this year is to have over 96% attendance, we are currently at 96.07%.

Class attendance so far is as follows:

Class	Attendance (%) this week	Overall Score (%)
Miss Anderson	94	94
Miss Spick	96	98
Miss Glaves	92	98
Mrs Walker	99	98
Miss King	95	98
Miss Hastings	98	98
Miss Hughes	97	98
Miss France	90	96
Mr Hawkes	97	93
Miss Kruzynska	96	93
Mr Sandrey	95	98
Mr Matthews	99	98
Mr Bavington	95	94
Mr Mills	97	91

Green indicates that attendance is above National Average.

Yellow indicates that attendance is broadly the National Average.

Red indicates that attendance is below National Average and this needs to improve PLEASE!

50 children are already in the persistent absentee category after two weeks of school.

MacMillan Coffee Morning

On Friday morning, 28th September, **between 9am and 10am**, you are invited to stay behind in the dining room for coffee and cake as the school will be hosting a MacMillan coffee morning with all proceeds and donations going to the MacMillan Cancer Trust. This is a charity very close to the school and it would be wonderful to see as many of you there as possible.

Zig-Zag Road Markings

The zig-zag road markings outside the school gates not only indicate that you cannot park on them but also that it is an offense to wait or even momentarily stop whilst dropping children off, according to the UK Highway Code. This is a safety measure as children are often stepping off the pavements in these zones in order to enter school. Please consider the safety of the children and park away from the zig-zags when dropping off. Thank you.
