Stradbroke Primary School

Learning for Life!

28th March 2019

Easter Holidays

This Friday marks the end of the spring term and the start of the Easter holidays. The children will be off from school for two weeks before returning on Monday 15th April. Please note, this year the Easter break actually falls before the Easter weekend, therefore, when we return to school it will be for two consecutive four day weeks due to the Good Friday (19th April) and Easter Monday (22nd April) being bank holidays.

Easter Bonnet Parade

For children in Foundation Stage and Y1, there will be the highly anticipated **Easter Bonnet Parade** on **Wednesday 17th April**. The parade will start shortly after registration at 9am in the downstairs hall, and there will be tea and coffee available for parents and guardians attending. Children taking part will receive a small chocolatey gift for their hard work, strong necks and balancing skills!

Egg Decorating

As per tradition, we will be holding our eggstremely popular Egg Decorating Competition, where this year all children from Y2 up to Y6 will be invited to decorate hard-boiled eggs, this year in the theme of **Musical Heroes**. Please make sure that each entry has the name clearly marked on it (sometimes tipping them upside down to read the names can damage them!) and also whose class they are in – that makes them much easier to display and then judge. Entries will be displayed in the foyer from **Monday 15th April until Thursday 18th April** (any entry not collected on Thursday 18th will be disposed of, unfortunately). All entries will be rewarded and winning entries will receive Easter Eggs! I'm sure you'll agree that this is very eggciting!

I hope you all have a wonderful fortnight's break and come back refreshed ready for the summer term!
