Learning for Life!

15<sup>th</sup> March 2020

## Easter Bonnet Parade

Unfortunately, last year's Easter Bonnet parade had to be cancelled as a result of the egg-ceptional circumstances, however, this year, the parade will go ahead and be filmed then made available for people to watch safely at home. The parade is for children in Year 1, Reception, Nursery and Little Teds. **Please make sure that bonnets are in school by Wednesday 24<sup>th</sup> March with names labelled on them.** The parade will be filmed in separate stages over the next few days and then un-scrambled and put together in the egg-iting suite for the viewing audience to watch. All bonnets will be returned home after the recording. I will let you know where and how you can view the parade in the final week of term. Children taking part will receive a small chocolatey gift for their hard work, strong necks and egg-cellent balancing skills!

## Easter Egg Decorating Competition

As per tradition, we will also be holding our egg-stremely popular Egg Decorating Competition, where this year all children from **Y2 up to Y6** will be invited to decorate hard-boiled eggs, in the theme of **anything you want that will make us all crack a smile at your terrible yolks!**

Please make sure that each entry has the name clearly marked on it (sometimes tipping them upside down to read the names can damage them so make sure we can see it clearly on the front). All entries will be displayed in the children's classrooms rather than the foyer, in order to not cause a crowd of people stopping to look at them, and photographs will be posted on Twitter and Class Dojo for all to see. Please bring your entries in from **Monday 29<sup>th</sup> March until Wednesday 31<sup>st</sup> March** to be judged. Creations then need to be taken home on **Thursday April 1<sup>st</sup> (last day of term)** any eggs not collected will be disposed of, unfortunately). All entries will be rewarded and winning entries will receive Easter Eggs! I'm sure you'll agree that this is very eggciting!

## School Laptops

If you have borrowed a school laptop during the lockdown to complete remote learning with, please make sure that it is returned to us when children come back to school next week. We might need to hand these out again in the future and therefore it is important that they are all returned promptly. All laptops, chargers and carry cases should be handed into class teachers and we will collect them centrally from the classrooms. You do not have to enter the foyer to return a laptop.

Best Wishes,
