Learning for Life!

29th April 2021

Sheffield Children's Hospital Fund Raiser ~ Thank you!

Prior to the Easter holiday we embarked upon a fundraising marathon event, with all classes and staff running laps of the school to raise money for the Sheffield Children's Hospital. Having now taken in all of the sponsorship money, we are delighted to announce that we managed to raise **£8,059** in total. This is absolutely staggering and more than we ever envisaged being able to donate. Thank you so much for your contributions and overwhelming generosity, this is by far the most amount of money we have ever managed to raise for a single charity and all of the children should be incredibly proud of their efforts in helping to support such a worthwhile cause, right here in our city. Soon, our bear, Major Tom, will be complete and resplendent in all of his glory in our foyer before going out into the city to represent our efforts. Thank you!

Parent Pay

As the country starts to open up more and more over the coming weeks, this will mean that we can start to go on school trips again, as well as more visitors starting to be able to return to schools over the summer term. All payments in school for trips and special visitors will be made using ParentPay. With that in mind, it is vital that you have opened your ParentPay accounts in order to contribute towards these opportunities for your children, as they cannot always happen without parental contributions. If you have not opened your account yet, and have lost your initial account activation letter, please call the school office and they will arrange to have it resent.

The School Foyer ~ Polite Reminder

The school foyer is still operating a one-in-one-out policy for parents and carers as stated on the signage. If there is already a parent in the foyer, please wait patiently for them to leave before entering. Alternatively, if it is not urgent, you can telephone the office when you get home. If entering school, please wear a face covering. Thank you for your cooperation.

Parking around School

The zig-zag road markings outside the school gates not only indicate that you cannot park on them, but also that it is an offense to wait or even momentarily stop whilst dropping children off. This is a safety measure as children and parents are often stepping off the pavements in these zones in order to enter school. As we have staggered start times, there should be ample parking space slightly further away from the school for people to use at the start and end of the day. Please consider the safety of the children and park away from the zig-zags when dropping off. Thank you.

Bank Holiday Weekend

This coming weekend is May Day Bank Holiday Weekend, which means that we will not be in school on Monday and children will return on Tuesday 4th May. I hope that you all have a lovely long weekend!

Best Wishes,

John Sitch
