

Innovation:

So that we can develop as creative independent learners we will:

Apply our science knowledge to design a garden for the KS1 playground.

Become photographers as we use our creative eye to find inspiration for our artwork.

Culture:

As citizens of a diverse and inclusive city we will:

Learn to listen and respect our peers' opinions and thoughts through a range of different stories and challenges within P4C.

We will work together with our peers and celebrate everyone's beliefs, thoughts, ideas and cultures.

Community:

This term, within our community, we will:

Design a flowerbed for the KS1 playground and invite parents to see the grand opening.

Children will explore our local area and compare it to a non-European country.

Zoom call other classes to promote our excellent learning, whilst also reading to another class.

Aspiration/Lifelong Learning:

The children will become artists as they create their own collages which will be showcased in our virtual zoom gallery to Year 2.

The children will take science into their homes by planting seeds and watching them grow as part of their home learning.

Our #moments will be:

- **GroundForce#GreenFingers**
- **#LetsGetfruity!**
- **#AhoyMeMateys!-Pirate Day**
- **Zoom Virtual Art Gallery to other year groups to promote our fantastic collage masterpieces.**
- **Can you bee-lieve it? – Cinema experience at school.**
- **#InspiredbyPicasso**

Areas of Learning:

As geographers, we will about the seas surrounding the United Kingdom and investigate the hot and cold climates around the world.

As scientists, we will investigate plants through observing, dissecting and comparing. We will explore different environments from the school grounds to discover a range of greenery.

Experience:

The children will experience the outdoors as we explore the local area to find inspiration for our garden design.

To understand the importance of bees and flowers within our environment, the children will watch The Bee Movie at Stradbroke's Showroom.

Art gallery to other year groups promoting the children's fantastic pirate-themed collages.

Children will attend our pirate day.

Children will get fruity and taste a range of fruit to help inform them as to what makes a good fruit kebab.
